

Richard Edmund Flanigan
A standout in athletics, Rich has participated in varsity football, baseball, and swimming. He has also supported the Canteen Council as Vice President and has been on Student Council.

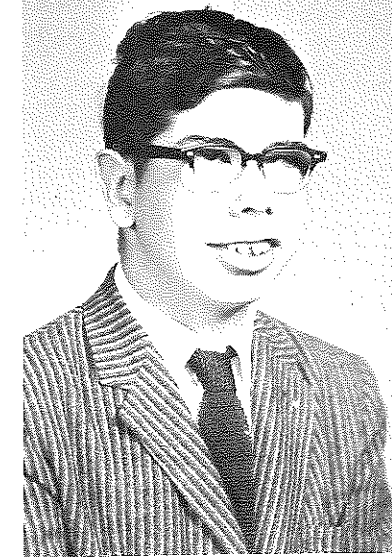

Susan Jane Fletcher
A transfer from Exeter, New Hampshire, Sue is interested in business subjects. She is on the typing staff of the ORIOLE. Her business experience will be helpful to Sue as a secretary or as an airline hostess.

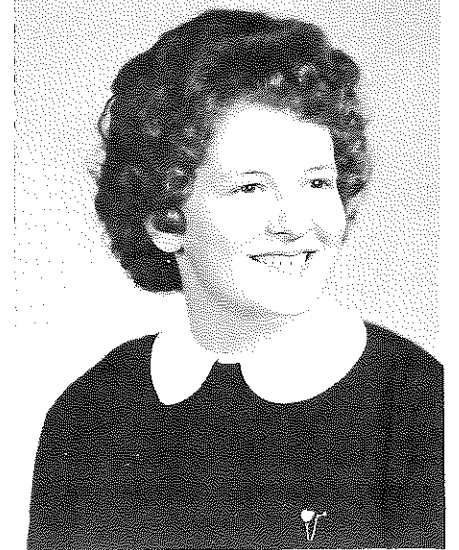

Howard Adam Flierl
Butch, who plans to enter the field of medicine after college, enjoys science courses. He has been active in Key Club, ORIOLE, and is one of the new boy cheerleaders at B.C.

Mary Ellen Freeman
For three years Mary Ellen has been active in Aquatics, G.A.A., Band, Choir and Class officers. Committee work for the Daisy Mae Drag, Junior Prom, and Senior play are also to her credit.

William Henry Frueh
Bill's school interests include Pierian Society and Exchange Editor of the STAR. He hopes to use his abilities and fine quality of patience by entering the teaching profession.

Mary Ann Gilmore
The BCBS intramural program has attracted Mary's participation during her senior high years. Also a three year member of G.A.A., she served as a G.A.A. marshal in her senior year.

... *Boy Cheerleaders?*

Ours were the first. . .

David C. Fordham
Dave's activities range from debating and singing tenor in our school's choirs to being a member of the German Club. His interest in Science results in his hobby—building rockets!

Cynthia G. Foster
Cindy has been active in STAR, ORIOLE, and intramurals. She was president of Choir and participated in Melodreamers and Starlighters. She enjoys biology, Spanish and art, and plans to attend college.

Catherine E. Frasier
Kathy has been active in intramurals, F.B.L.A., the Concert Choir, and the Senior Play. She likes to recall the Senior Play and the fact that seniors were being excused first from assembly.

Linda Ellen Ginsburg
Being fond of music, Linda has herself played for three years in band and orchestra. As a member of F.H.A. she displays special interest in sewing and cooking.

Claudette Marie Grenier
Interested in athletics, Claudette has been in G.A.A., and the Tumbling and Diving Clubs. Her participation in the Medical Career Club points to a desire to become a nurse.

Alan Groves
Al will someday be one of our nation's leading scientists, as shown by his interest in math and science courses. An active member of his Church's youth group, Al is also one of the boys who brave wind, rain, and snow for the Knickerbocker News.
